The Senior Class

GOSHEN HIGH SCHOOL

Goshen, Indiana

Dedication

To Miss Kathleen McCullough, who for the past two years has ably filled the vacancy left by Miss Rose Marie Scherf, and to Mr. Thomas J. Starr who capably filled the sponsorship position vacated by Mr. Merle Shanklin, we, the Class of '46, as an expression of our gratitude for their patience, guidance, and understanding, wish to dedicate this book.

We are inclined to disagree with those who talk about "the Good Old Days" of the 1890's, and to show you what we mean, we have arranged this book as a comparison between the high school life of fifty years ago and the numerous activities to be found in Goshen High School today.

Because we seem to prefer our present era, please, don't think that we are not grateful to the past. It was the patience and guidance that have made Goshen High School what it is today. It is in our appreciation for all that has been done for us, that we of the 1946 Crimson Staff have chosen as our theme, "The Good Old Days, — 1890's."

Star-Spangled Banner

And the star-spangled banner in triumph doth wave
O'er the land of the free and the home of the brave.

—Francis Scott Key

Goshen High School . . . builder of character, sportmanship, and lasting friendships.

Every School Boy Knows It.

Memories of Standing in Line.

Park Here!

Fair play is fundamental in every field of sport.

They Also Serve Who Only Stand and Wait.

Come On! Let's Hear It!

Field of Many Victories.

Varied program . . . affords opportunity to talented students.

"Sign on the Dotted Line . . ."

"THE SHOW OFF"

On March 27, 1945, the Goshen High School Auditorium was the scene of the junior class play, "The Show Off". Under the capable direction of Miss Mary Elizabeth Vandenbark, Charles Gohn, Ruthe Gosey, Pat Dwiggins, Margaret Feagans, Charles Detwiler, Lowell Edwards, Harold Yost, Jack Brainard, and Wilson Snyder presented the play successfully.

This is the story of a young man with a fixed attitude toward life. "The Show Off" tells how he gained success through his own mistakes.

"JUNE MAD"

The senior class play, "June Mad", was presented on May 10, 1946. Miss Barbra Zook directed the three-act comedy which was written by Florence Ryerson and Colin Clements.

The headaches and heartaches that accompany puppy love were skillfully portrayed by the well-chosen cast, consisting of Charles Gohn, Ruthe Gosey, Margaret Feagans, Charles Detwiler, Bill Benner, Lowell Edwards, Harold Yost, Jack Brainard, Verde O'Neill, Julia Latta, Mary Stahley, Julianne McCally, and Wilma Ladd.

Work and good times go hand in hand.

In the Merrie Month of May.

Her Highness and the Royal Court.

Just a Bunch of Bums.

Hard work, praise, blame, bills, receipts, sales, copy, proof = Crimson.

Thumb Nail Sketches of the Faculty

Mr. Bechtel — Our very understanding and patient principal who has the welfare of the students ever at heart. His hobbies are fishing and, believe it or not, — cooking.

Miss Barnes — A helpful personality — who is the backbone of the yearbook. Interests are cooking, reading, club work, and traveling.

Miss Beaman — She sees that you do not split infinitives. Reading and gardening are her hobbies, and travel her added enjoyment.

Mr. Beck — Corny jokes make him run. He really hasn't a job (?) since working with young people in his lab. is just a hobby!

Mrs. Bender — Our soft spoken English teacher. Reading, cooking, traveling are her hobbies.

Mr. Brinklow — A dynamic personality. He likes to golf, travel, put out a garden (and haven't you heard he teaches music?).

Miss Brooks — A vigorous and vivacious personality. She likes to fly, study radio, and work with young people.

Mr. Gerig — He sees that we have a knowledge of social science. He likes to travel and keep up with the affairs of a changing world. He has an unusual repertoire of quotations.

Miss Graham — A most helpful teacher (and witty, too,) although sometimes a doltish algebra student fails to recognize this. Reading, church, and club work are her interests.

Miss Grogg — She pursues with zeal the craft work which in itself molds unseen character. Traveling and gardening are her pastimes.

Miss Hewitt — The pulchritude of our faculty. She likes working with girls and all kinds of sports.

Mr. Kintigh — Just "Pop" to all of us. He is quite a hunter and fisher.

Miss Kyler — Witty and peppy. Her interests are the GYRAB, reading, playing a mean game of bridge, and listening to the hum of an auctioneer.

Miss McCullough — Quiet but full of fun (and wit, too). Music and reading are her hobbies.

Mr. Needham — Our bubbling over personality. He is interested in young people, tennis, and taking movies.

Mrs. Nelson — Understanding and helpful. She likes to ice skate, hike, and above all else, talk about China and its people.

Miss Peckinpaugh — A pleasant and helpful personality. She likes reading, hiking, and club work.

Mr. Pesavento — An athletic type with a southern drawl. He likes to work with metal and wood in the shop.

Mr. Sabin — Tall and stern looking, but don't let that fool you, for he is a good fellow.

Mr. Schenck — Einstein's theory doesn't faze him. He is very active with the Boy Scouts, and spends his spare time fishing and gardening.

Miss Shaffer — Our pleasant Latin teacher. Sewing and gardening are her hobbies. She also likes music and reading.

Mr. Sovine — "Old high in stature" himself. His interests are sports, travel, reading, and showing Isaak Walton a thing or two in his spare time.

Mr. Sprunger — A splendid artist whose personality is manifested in his work. His hobbies are contained in his work.

Mr. Starr — He guides our next step in preparation for the school of life. He likes working with young people. (If he talks out the side of his mouth, that's Mr. Starr.)

Miss Stutz — Our natural historian who enjoys house work, and adds beauty to her home with her many flowering plants.

Mr. Underwood — Just "coach" to most everybody. His hobby is working with boys and putting out scrappy ball clubs.

Mr. Warstler — Machine Shop is written in his features. He sings in the church choir and is interested in sports.

Mr. Weaver — Business-like and mild. He has an interesting hobby, genealogy. He likes to travel and work in his garden.

Mr. Welborn — Think of Ernie Pyle and there he is. A swell person with the grit that pushes locomotives around. His hobby is sports and working with boys.

Miss Wright — Full of life and pursues cookery with zeal. Her hobby is collecting buttons and milk glass.

National Honor Society

The local chapter of the National Honor Society, under the supervision of Miss McCullough and Mr. Starr, was newly organized this year. This is a nation-wide organization for the purpose of encouraging scholarships. It is open to junior and senior students who are eligible scholastically. Membership to the society, a purely honorary organization, is based on scholarship primarily, with leadership, service, and character considered. Members of this group proudly wear the national emblem, a small gold shield with a flaming torch.

Auto Mechanics

The Auto Mechanics Department became a part of the high school curriculum in Goshen in 1923. Although there were some doubts then as to the success of the department, it has more than proved its worth in the ensuing years and is now a most important part of the school curriculum.

New equipment was installed in the department last year; and it is considered one of the best-equipped auto departments in the state.

The boys who take this course are selected from the senior class. There is a great demand for boys to work in places doing mechanical repairs; and the department has never been able to fill all these demands. Of course, they are not mechanics after completing this one year course, but they have acquired a foundation upon which to build a successful trade as an Auto Mechanic.

This year the department received a Navy Wild Cat fighting plane. The plane was manufactured for the Navy by the General Motors Corporation, and given to the school by the American Legion Post 30. It has a nine cylinder radial engine normally developing 1350 horsepower but can develop 1500 horsepower. The gasoline tanks carry 242 gallons of gasoline. The plane has a range of 670 miles.

In spite of the downpouring rain, the band showed its lively spirits by appearing at the first football game September 14. It kept up its good record by traveling to Indianapolis to march in a Victory Parade with approximately one hundred and forty-four other bands. Another trip was made to Mishawaka to display outstanding maneuvers for the football fans. After the victorious Elkhart game, the band led a spirited march to the main square. This group continued its support of the athletic association by playing at the basketball games and pep sessions.

On March 14 the band celebrated its twenty-fifth anniversary with a concert.

The band completed a successful year by playing host to and competing in the solo and ensemble Music Contest.

Under the leadership of Mr. Needham, fifty-one members of the Chemistry Club began a year of instructive activities to further an interest in chemistry. Bill Benner led the group through the Milk Condensing Company, explaining the process of pasteurization, powdering, and condensing milk. The group enjoyed a scavenger hunt at the home of the president on Halloween and a grab bag party at the Christmas meeting.

On February 2, the Chemistry and Science Clubs took a trip to Chicago, visiting the Museum of Science and Industry in the morning, and enjoying a show in the evening.

During the year, the club profited by many outstanding speakers.

The Circulus Intimus, meaning the Inner Circle, is organized for second year Latin students. Meeting every two weeks during the activity period, this club develops a deeper appreciation of the Latin language and culture.

Christmas was celebrated by the club with a party and the making of Latin greeting cards. Many of the meetings were spent in singing Latin songs and playing Latin games, while an occasional play was presented by a class. The making of a club yell and song were two projects during the year. A point system for "G's" kept the members busy.

The group prospered this year under the guidance of the new Latin teacher, Miss Shaffer, who added her loyal interest and support.

THE CHOIR

During the Christmas holidays the choir presented Handel's famous "Messiah" before the Women's Club, Rotary, the student body, and finally for the annual public recital. The outstanding soloists in this oratorio were Lowell Byler, Jack Pickering, LaVonne Fodge, Phyllis Swihart, Anita Stump, and Julia Latta. On March fourteenth the organization, jointly with the high school band, sang in a public concert, celebrating the band's twenty-fifth anniversary. The choir also participated in the Easter Convocation, thus completing one of its most successful years.

THE GIRLS' GLEE CLUB

The Girls' Glee Club of twenty-one members, under the direction of Mr. Brinklow, has had a very successful year. They sang for various occasions and caroled in the halls of Goshen High the day before Christmas vacation. A trio, representing the club at special programs, consisted of Julia Latta, Phyllis Swihart, and Anita Stump.

While singing in the club, the girls have an opportunity to learn more about music, to adapt themselves to new and difficult pieces, and above all, to learn appreciation of good music.

The Commercial Club, celebrating its birthday in December, was organized four years ago with thirty-five charter members. Membership is open to students enrolled in the commercial department.

Meeting the second Monday of each month, the club acquaints its members with activities in the business world and fosters interest in business.

The biggest project that was sponsored by the Commercial Club was the Victory Loan Drive in which over ninety per cent of the student body participated. This gave us the right to purchase a Minute-Man Flag. The $4,200 worth of stamps and bonds purchased a hospital unit at Camp Atterbury. In a contest terminating the bond drive, ten students were chosen from twenty-six candidates to participate in a basketball game. The winner of the game played a team composed of faculty men.

Crimson Staff

Reliving the "Gay Nineties", this year's Crimson staff has worked hard to maintain the high standard set by preceding classes.

In their buggies and tin lizzies they have traveled about, hunting for ideas and pictures to fill their old-fashioned album.

The highlight of the Crimson journey was a "Carnival", which filled "Wall Street" with music and merrymaking.

Yes, the staff has stepped out of its jitterbugging and bobby sox to waltz for you into the good old days of long ago and to prove that we like our generation better.

Maintaining the tradition of electing three new members from the freshman class, Mary Alice Baughman, Shirley Marquis, and Sue Welborn were this year added to the Health Council's enrollment.

The council, active in school affairs, sponsored the Red Cross Drive and the sale of Christmas seals for tuberculosis.

Much aid has been given by this group through its donations to the health room and school.

One of the activities during the year was the sponsoring of "Singing Valentines."

The highlight of the year was a dinner planned by the freshman girls for the three senior members.

Junior Hi-Y

The Junior Hi-Y, following in the footsteps of its big brother, has worked toward its Christian purpose of higher standards of character.

This club, open to freshman and sophomore boys only, meets the second Monday evening of each month. At these regular meetings, outstanding guest speakers were often invited. Entertaining social hours followed these instructive programs.

The activity calendar of this group has followed along closely with the Senior club, the boys enjoying the joint meetings with the Sunshine Society and the Elkhart swimming party.

The purpose of Hi-Y, to create, maintain, and extend throughout the school and community high standards of Christian character, has been the goal of each of its members this year.

An impressive initiation service was held at the First Congregational Christian Church in January. During this service, various officers and members gave short inspirational talks on the principles of living for which Hi-Y stands.

Throughout the year the club has enjoyed many interesting speakers including Rev. Dillon and Rev. Carl Weller. Another guest of the group was Mrs. Studebaker, who gave an instructive talk on West Africa. One of the outstanding events on the Hi-Y program was the Father and Son Banquet at the St. Mark's Methodist Church with Dr. J. E. Hartzler as guest speaker. The Hi-Y has fulfilled an active calendar year, sponsoring a joint Sunshine-Hi-Y meeting and a swimming party at Elkhart.

"Toward New Horizons", the motto of the Future Homemakers of America, expresses their purpose of learning to live better today, in order that their lives and those of their families may be better tomorrow.

In December the Home Economics Club became affiliated with the state and national organization of the Future Homemakers of America. This club is open to all girls who are or have been enrolled in a home economics class in high school.

During the year, the club has enjoyed talks by Miss Wise, instructor at Goshen College and Mrs. Katherine Benner, County Home Demonstration Agent.

The Journalism Club offers its members the opportunity of gaining experience in the field of journalistic writing. Every week the club submits to the Goshen News-Democrat a column concerning school organizations, auditorium programs, a special feature, senior boy or girl of the week, and other items of interest about the school.

Students desiring membership in the club are required to submit an original article about some school event. The article is judged by the members of the club and accepted on the basis of its merits. As new members are admitted at the end of the year, only sophomores, juniors, and seniors are eligible.

Better sportsmanship and a greater student body interest in athletics has been promoted by the Minne-Ha-Cha Club.

This club, organized in 1944, meets every two weeks during the activity period. Its meetings consist of such programs as practicing yells for games or working on another such activity.

On December 13, an initation for new members was held in the cafeteria. Eating garlic covered spaghetti and getting "spanked" by the senior girls made the new members feel thoroughly initiated.

Minne-Ha-Cha is open to junior and senior girls who proudly wear their bright red Indian jackets.

Although the orchestra has not participated in many activities, it has by no means been idle.

An outstanding feature of the orchestra year was a concert given at the high school auditorium in March. This was a dress rehearsal for the district contest to which the orchestra was proud to play host. The members gave their full cooperation to their director, Mr. Brinklow, and assistant director, Miss Margaret Detwiler, in an attempt to maintain the high standard set last year by the winning of first place in the district contest.

The orchestra ended a very successful year with the participation in the commencement exercises.

"Science, sense and nonsense", so runs the motto of this club whose purpose is to promote the advancement of science. An interesting auditorium program was sponsored with the aid of the General Electric Company. Demonstrations of various electrical equipment were made by members of the club before the student body.

Many interesting programs have been held during this year. At the organization meeting, Dr. Paul Bender, physics instructor at Goshen College, gave a very informative talk on the atomic bomb. A pot-luck supper featured the Christmas party. One of the highlights of the year was a trip to the Rosenwald Museum of Science and Industry in Chicago. Other speakers were Bob Hawk, who spoke on the radio, and Professor Whitmer of the college, who explained many of the marvels of astronomy. Other programs included a visit to radio station WTRC followed by a swimming party at the Elkhart Y. M. C. A.

Desiring encouragement and constructive criticism in creative writing, literary minded students have gathered together to develop by actual appliance their abilities at composition.

At their monthly meetings, the Scribblers submitted original manuscripts for criticism. These manuscripts consisted of original poems, short stories, essays, and biographical sketches.

The critic, appointed by the sponsor, leads group discussion on the manuscripts.

The club's roll was increased this year by seven, making a total of 18 members.

Much credit goes to Miss Kyler, new group sponsor, for her helpful guidance.

La Tertulia (Spanish) Club

An informal gathering is the translation of La Tertulia, and "Siempre delante de Otros", the motto of the club, means "Always ahead of Others."

La Tertulia, under the capable supervision of Miss McCullough, meets once a month in the homes of the different members.

The club, composed of those who have taken Spanish sometime during their high school career, was formed to create an interest in our Spanish speaking neighbors in South America. Through the various speakers and Spanish games, members have become better acquainted with the Spanish-American language and customs.

An exhibit displayed in the hall and a Pan American program are typical activities of the club.

That cheery name, "Sunshine", is loved and respected by all members of the organization. As the pioneer maids of old held their gatherings for the betterment of early American living, so the Sunshiners of G. H. S. follow the high aims and ideals adopted by their society in days gone by.

At various times during the school year, these cheery maidens developed their efficiency in presenting programs, selecting outstanding speakers for club meetings, selling holly wreaths, helping those less fortunate, and decorating for the Christmas and Easter convocations. Other activities included helping with the "Mile of Dimes", contributing to the Riley Fund, earning points, and meeting with the Hi-Y.

An outstanding event on the Sunshine calendar was the candle-light initiation of fifty girls with their mothers as guests. At this service Miss Shaffer presented Marajane Parker with a locket for being the "Ideal Sunshine Girl".

A farewell party for Senior Sunshiners completed a successful year.

Celebrating its tenth successful year of publication, the TOMAHAWK still boasts its traditional monthly issue of current school news.

Distributed the third Friday of each month, this paper contains feature articles, "dirt", editorials, and school events.

A special March issue features the juniors as sole editors and workers. No help is given on this issue by the seniors.

This year, along with the traditional red and green Christmas covered copies, went a special page of carols.

On the third Thursday of each month the staff enjoys a delicious supper, planned and cooked by its members. Following these meals, the staff puts forth its best efforts in publishing the free issues.

GOLDEN 1895 1945 ANNIVERSARY

50 Years of GHS Football

BY HERB SWARTZ
Sports Editor
Goshen News-Democrat

Football was played on the sandlots here more than 50 years ago among the "kids" of the city, but it was not until 1895 when the first organized Goshen high school team saw action—50 years ago—against their now oldest rivals, Elkhart high school.

That year the players representing the school bowed in defeat twice and teams down through the years have done the same thing against outside competition but the fighting spirit has always prevailed, win or lose, for the Crimson and White.

Several years Goshen had undefeated teams, sometimes tied, but back in some of the olden days claims were laid to the state high school championship and rightfully so.

That first team was defeated by Elkhart 12 to 0 on the old Ariel grounds here and 46-0 on the field known as the Driving Park in the nearby city.

Four Players Remain

Of that first team, four players are known to still be living. They are William Nymeyer of the Salem Bank and Trust company, Goshen; F. N. "Bud" Hascall of the Hascall store; George A. Riley, a South Bend business man and former partner in the Rieth-Riley construction company; and Ray Hatch of Marshall, Indiana.

Others on that squad who made up the line and backfield for those first two games in 1895 were Roy Carmein, John Roach, Joe Benham, Charles Sims, George Pearce, Myron C. Dow, Billy Mitchell, William Bartlemay, Fred Morrice, William Wehmeyer, Floyd Berkey and Wagner.

So now with simple but fitting ceremonies, this first team is paid tribute for being the first organized squad to represent GHS on a gridiron.

Back in those days, the schools furnished no equipment, the players fixed up their own "protection" and they were a far cry from the modern uniforms of today, well-padded with protective pads for all parts of the body including special headgears. In those days they played bareheaded too.

Because the sport was comparatively new, newspapers gave very little space to the games especially if the home team lost and the writeups carried no detail, no complete lineup, no statistics. For that reason data on games played during those final years of the 19th century is not complete.

SOUVENIR PROGRAM
These souvenir programs of the 50th anniversary of the football sport in Goshen High School are distributed with the compliments of the G. H. S. Athletic Association and advertisers listed herein.

Other Years

In 1896, no records are available that Goshen and Elkhart met but the high school played and lost twice to Warsaw, one of the scores being 16 to 4. In 1897, Goshen again lost twice to Elkhart and defeated Middlebury and from the 1896 team only two players saw action in '97, Roy Carmein and Floyd Berkey.

Three games were played in 1898, the big game of the year coming when Goshen defeated Kendallville 6 to 5 and a column was written on the game. GHS that year tied Bremen and lost to Nappanee—yes, the smaller schools played football in those days.

Goshen had a good season in 1899, its first unbeaten one. Records show three games being played but possibly there were more. Elkhart was beaten 21 to 0 and then tied 0-0 later on. Kendallville was blanked 17-0 but failed to show up for a Thanksgiving Day fray. Prof. Roy D. Keehn was coach. Cal Rummel was captain that year.

In 1900 little enthusiasm was expressed for a team and only two games were known to have been played, Milford was beaten 6 to 0 and the city team tied the high school in scoreless battle. Reason for the lack of enthusiasm was in the fact that one player broke his leg in practice and two others were also hurt.

State Champions

Teams in 1901 and 1902 had good years but it was not until 1903 that Goshen high school gained statewide recognition by laying claim to the Indiana championship, winning 8 games, piling up 167 points and having only one team score on them the entire season.

Fort Wayne beaten twice was the only team to score a touchdown. Lafayette, Warsaw, South Bend, Wabash and Michigan City were the other Hoosier victims. Indianapolis Shortridge refused to play the Goshen eleven.

Players were Donovan, Weatherhead, Gripe, Kurtz, Troup, Bowser, Bauer, Deahl, Hoover, Nymeyer, Kessler and Cornell. Coach was Prof. Guy Wuthrich.

Football was played then until 1917 when because of the war and the lack of sufficient male students, the sport was dropped and resumed again in 1921. Prior to this last "era", the best teams turned out after 1903 were in 1904, 1908, 1909 and 1915.

Green Team Unbeaten

Football was reorganized with an inexperienced but heavy squad in the fall of 1921 under Coach Roscoe Abbett and the Crimson and White warriors won seven games without a single loss and scored 140 points to 53 for the opposition.

Undefeated teams again won renown in 1923 and 1929. Several teams since that have had good seasons, the best recently being the 1943 squad that won seven of eight played and finished second in the eastern division of the NIHSC.

The best seasons since the turn of the 20th century with games won, lost and tied and points scored is as follows:

Year	W.	L.	T.	GHS	Opp.
1902	5	2	1	83	73
1903	8	0	0	167	5
1904	5	1	3	138	33
1908	6	2	1	163	33
1909	8	0	1	159	22
1915	4	2	0	135	53
1921	7	0	0	140	53
1923	7	0	1	115	60
1926	5	3	0	94	84
1928	5	3	1	103	103
1929	8	0	1	204	56
1931	5	3	0	143	86
1932	5	3	1	78	68
1935	7	2	0	114	46
1941	5	2	2	111	86
1943	7	1	0	127	47

First games were played on the old Ariel grounds in the south part of the city, then on Tonawanda field and then at Island park back of the Nipsco power plant. Starting in 1921 the city park was used for high school games until the fall of 1923 when Foreman field was dedicated.

Some day in the not too distant future Foreman field will have a concrete stand on the south side of the field and football should be played on and on and observe a century of activity in Goshen.

Fort Wayne Central Whips Goshen

Bad breaks spelled defeat as the Goshen High School gridders opened a successful season in Fort Wayne's Berry Bowl. The first bad break came when Chapman's punt was blocked and recovered by Central on Goshen's twelve. Soon afterwards Lyon smashed over for the tally. A beautiful eighty-five yard touchdown sprint by Junior Long was nullified and Goshen penalized five yards for offside. In the second quarter, Goshen smashed to the one but was unable to score. Central's Milton broke through his own left tackle and raced forty-two yards for the second touchdown. Goshen had a chance to score just before the half as a long pass sailed through Erbe's hands over the goal line. Central scored again in the third, although Goshen looked better on defense. The Redskins threatened several times in the fourth but couldn't reach pay-dirt.

Goshen Tomahawks Indians

Playing improved ball in a drizzling rain, Goshen edged out South Bend Central Catholic in a hard fought contest. Art Chapman scored twice in the second quarter on runs of one and seven yards. Martin, Roose, and the entire Crimson forward wall played outstanding defense ball. Central scored first after capitalizing on a fumble with Mackey going over standing up. The third and fourth quarters were dominated with fumbles by both elevens as neither threatened seriously. Chapman broke his index finger while tackling an opponent, although he played the rest of the game.

Redskins Tie Eagles

Eleven Goshen fumbles highlighted the Crimson's N.I.H.S.C. debate as the Redskins and John Adams Eagles batted to a 7-7 deadlock on Foreman Field. John Adams used the fumbles to good advantage, recovering eight of them. Line play, headed by Captain Don Martin, was excellent. It looked as if Goshen would score in the second quarter when a thirty-five yard pass from Kauffman to Martin was completed on the Eagles' ten yard line. On the next play, Stevens went high in the air to pull down a Redskin pass and scampered sixty yards before he was tackled by Roose. With twenty seconds of the half remaining, Nitz scored on a long pass. Fumbles in the third period held both teams in check. In the final period Lewallen knifed through his own left guard, eluded several would be tacklers, and went twenty-three yards for the marker. Rockenbaugh's place kick was good to tie the score.

Red Devils Forfeit to Goshen

Because of the fact that one of their players was stricken with Infantile Paralysis and an epidemic was threatening the city, Michigan City suspended all football activity until a further date.

Goshen Again Defeats Central Catholic

In a return engagement, Goshen again turned the trick and scalped Central's hard fighting Indians by nearly the same margin as the previous game. In the first quarter Goshen's scoring chances were held to a minimum as Dick Kauffman was thrown twice for eleven yard losses when two enemy braves broke through the local's forward wall. After a Central punt in the second quarter, Kauffman shot a pass to Martin who lateraled to Long just before he was tackled, and the Redskin back went the rest of the way untouched. A third quarter touchdown pass to Martin was called back and Goshen penalized. After a blocked Indian kick, Lewallen sped to the visitors' six, and Long scored on the next play. In the fourth stanza, an exchange of punts put the ball in Catholic's possession on Goshen's thirty-five. Mackey climaxed a series of plays by scoring the Indian's lone touchdown.

Cavemen Trip Redskins

With Long and Lewallen carrying the mail, the Redskins rolled up two hundred and nine yards against Mishawaka's vaunted Cavemen. After the kickoff, Oppelt cut to his right and went thirty-five yards to score. Goshen came right back on Long and Lewallen's runs and Chapman scored. The try for extra point was not good. Rhoutsong took a Mishawaka pass for the second Caveman marker and they led thirteen to six. The second quarter was highlighted by two twenty-eight yard sprints by Lewallen and Long. On fourth down, Chapman went over. Barnard, Mishawaka's ace back, took the kickoff and with the aid of some good blocking waltzed fifty-one yards to the goal line. Oppelt again sped thirty-five yards for the fourth Caveman touchdown. Goshen was unable to do anything the remainder of the game but held on its four yard line late in the fourth quarter.

Slicers Slice Redskins

LaPorte blasted Goshen's defense wide open in the second quarter and buried the Crimson's hopes under a deluge of touchdowns. The first quarter was mainly a punting duel with neither gaining much advantage. The second quarter fireworks began when Moryl scored on a ten yard jaunt. A short time later Stepanek snagged a Goshen pass for the second marker. Pass interceptions sealed the Redskin's doom as another one set up a Slicer scoring pass to Stepanek. Just before the gun cracked ending the half, Don Miller, speedy Slicer back, pulled down a pass and raced sixty yards down the sidelines to pay-dirt. The whole second half was played on even terms, although LaPorte intercepted three more passes.

Redskins Railroad Railroaders

Goshen used thirty-four players to amass three hundred forty-five yards against a weak Garrett team. Goshen took command at the start and carried the ball to the five where Garrett took over. The Railroaders kicked, and Lewallen and Long moved the ball to the visitors' two where Koch carried it over. Goshen scored early in the third with Chapman taking it over. The locals again gained possession of the ball, and after a number of good gains, Long scored. Kauffman intercepted a Garrett pass and ran it back fifty yards to his opponent's twenty. Jack Beachy, a sophomore, took the ball on the next play and went twenty yards to score. Garrett came back in the fourth quarter on a flurry of passes, one of which Kelly caught in the end zone.

Goshen Burns Blazers

Goshen handed a 50th anniversary present to Coach Lundy Welborn as the Crimson edged their bitterest rivals, Elkhart Blue Blazers, in a hard fought contest. Long and Lewallen looked good on offense as Markley, Martin, Roose, and Chapman held up the defensive end of their assignments. Goshen kicked off, and after a few short gains, Elkhart was forced to kick. On the first Redskin play, a thirty-five yard pass completed to Martin gave the locals a first down in Blazer territory. Goshen was unable to gain, and Long kicked out on the two yard line. The Blazers punted and the locals marched the ball to the ten where Martin scored on an end-around play. After the kickoff, Elkhart, unable to gain, punted. Several long runs put the ball on the two and Long bucked over. Rockenbaugh's place kick was perfect, and this later proved the winning margin. The Blue Blazers roared back in the second half and Berlick and Swarts, capitalizing on fumbles and errors, scored but were unable to make either extra point. Goshen froze the ball the last two minutes to end the battle.

Lansing Lances Goshen

The Redskins, showing a visible letdown after the Elkhart game, dropped their final game to a surprisingly big, tough, hard hitting Lansing eleven. Led by Thomas, triple threat back, and Highfill and Whipple, speedy ends, the Michigan lads scored twice in the first half and twice in the second. Goshen's only score came in the second quarter when a pass from Chapman to Martin clicked in the end zone. It was the last game for the following senior boys: Dick Koch, Don Martin, Earl Erbe, Don Roose, Martin Kinney, Dick Kauffman, Junior Cripe, John Stuck, and Junior Long.

Goshen Loses Opener

With only three regulars left from last year's first ten, the Goshen Redskins lost the first game of the season to the Concord Minutemen 36-28. Both Goshen and Concord played good basketball with only a slight amount of football tactics mixed in.

Redskins Scalp Cubs

The following week the Redskins defeated the New Paris Cubs with a final score of 47 to 34. At the end of the third quarter, Goshen trailed eight points behind, but in the fourth quarter they built up to a tie and went on to final victory. Larry Lewallen and Dick Kauffman were high point scorers, with 16 and 15 points respectively.

Victory Over Tigers

Lewallen and Kauffman again led the Goshen Redskins to victory against the Warsaw Tigers on the Warsaw hardwood — 30-15. Goshen started slow but held the Tigers scoreless in the second and third quarters while the Redskins went on to win.

Redskins Win Again

The Goshen Redskins made it three wins in a row after winning over the Nappanee Bulldogs 35-27. The Bulldogs bothered the Redskins throughout the game but couldn't quite top Goshen's lead. Art Chapman was high point man with 10 points.

Win First Conference Game

In the first conference game of the season, Goshen came out on top with an over-all victory against the John Adams' Eagles 38-32. The Redskins had trouble with making field goals but used neat floor tactics. Jack Fult started as one of the first team in this game.

Drop Conference Game

The Redskins dropped the second conference game to the Mishawaka Cavemen 35-27 after a lapse in the third quarter. Fult and Chapman were high point men.

Middies Beat Goshen

The Middlebury Middies won their seventh straight game when they beat Goshen 35-22. It was a sad tale for the Redskins all through the game except for a few last minutes in the third quarter.

Rivals Win Thriller

Elkhart's undefeated Blue Blazers ripped through Goshen's defenses for a score of 31-19 in the first Goshen-Elkhart game of the season. Dick Kauffman was high point man on the Goshen team. The game was played on Elkhart's hardwood floor before a capacity crowd.

Lose in Double Overtime

The smallest crowd of the season witnessed the most thrilling game of the 1945-46 schedule when North Side won in a double overtime game against the Redskins 39-37. Chapman went out of the game in the first overtime period with 15 points and 5 personals.

La Porte Whips Redskins

The La Porte Slicers led the entire game on their own "jinxed" floor to whip the Goshen Redskins 41-25. Goshen has won only one game on the "jinxed" floor since it was built, and the January 4 game was

a walk-away for the Slicers. Only in the third quarter did the Redskins come out from behind the eight ball to build 11 points.

Win In Overtime

The Goshen Redskins won over the Wakarusa Indians in an overtime game 54-50. Art Chapman clinched the game for Goshen in the overtime period with 4 points. Don Martin was high point man and he alone sparked the third quarter rally which helped to bring Goshen to the overtime climax.

Walk-away for Central Bears

In a walk-away game the South Bend Central Bears won the January 11 conference game from Goshen 70-36. Bob Adams of South Bend made 23 points. Goshen, in their effort to outscore their foes, forgot their defensive tactics of which, of course, the Bears took advantage.

What Again?

In the third overtime game of the season the Redskins took away from the Nappanee Bulldogs 52-48. Art Chapman, who made two baskets in the overtime, led the scoring for Goshen with 22 points.

Lose to Wildcats

In a slow game in which the Redskins went to sleep numerous times, the Riley Wildcats won 51-27. Goshen seems to have an inferiority complex everytime they meet a South Bend team. Again Chapman was high scorer.

Lapel Wins Overtime

The Goshen Redskins lost to the down-state Lapel Bulldogs in an overtime game 39-38. This was the fourth overtime game played this season. Lapel and Goshen have never played one another before, but it proved to be a very exciting game. Dick Kauffman and Don Martin scored 10 and 9 points respectively.

Too Close for Comfort

The Redskins won over South Bend, Washington, 30-29 on the Panther's floor February 1, on which Jack Fult made the winning free throw after Don Martin had tied the score with 28 seconds left to play. With the winning, Goshen was on the top of the second section of the NIHSC circuit.

Rivals Triumph Again

The Elkhart Blue Blazers clinched the NIHSC title, February 8, when they overran the Goshen Redskins 46-33 on Goshen's floor. The Blue Blazers are rated as the number one team of the state. The Redskins played excellent ball for the first half but were outplayed in the second half. Goshen was ahead 14-11 for a time in the second quarter, but couldn't keep it that way. They trailed by one point at the half. It was an exciting game, full of fast playing.

Beat Michigan City

The Goshen Redskins won their last scheduled game from Michigan City 46-38 in a conference game in which a record 54 personals were called. Goshen made 20 free throws out of 35 attempts. Don Martin and Dick Koch made most of the free throws, 5 and 6 points respectively.

THE SECTIONAL TOURNEY

The Goshen Redskins closed the 1945-46 hardwood season in the annual sectional tourney, February 22, at Nappanee.

The Redskins played only one game, against Bristol. The Bristol Pirates won the game 38 to 29 before a crowd of 2,000 fans. The Redskins missed 17 out of 24 free throws and were unable to cope with Bristol's semi-long range shooting. Art Chapman, Goshen's high scoring center, was not in the lineup because of illness. This game was the last for four members of Goshen's varsity. They were Don Martin, Dick Kauffman, Dick Koch, and George Tilley. All the rest of the squad plus several rookies from the second team will return next year.

The Redskins thus finished the Basketball season with a total of 8 wins and 12 losses.

Let us hope that next year the Goshen Redskins will have a more successful season and we, the class of '46, wish you the best of luck.

PALEFACES 1945-1946

The Goshen Palefaces finished the hardwood season with a total of nine games won and nine lost. The palefaces lost both Elkhart games, lost to Concord, Warsaw, La Porte, Central South Bend, Nappanee, Riley, and Washington, while winning the games from Middlebury, John Adams, one Nappanee game, New Paris, Mishawaka, Michigan City, Wakarusa, North Side, and the Jefferson Varsity team.

Next year many of this year's second team will play varsity positions. Good luck fellows.

Chuck Lewallen was high point man of the season with a total of 71 — 23 baskets and 25 successful free throws. Following is a list of the members of the second team together with the number of field goals made, free throw baskets made, personals, and total points.

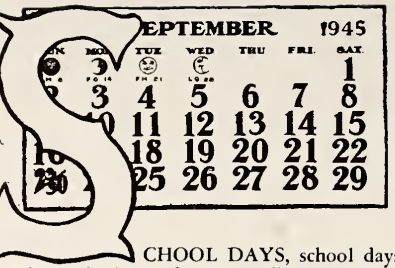
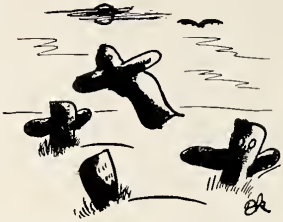
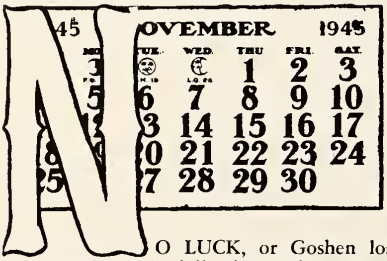
HUMOR



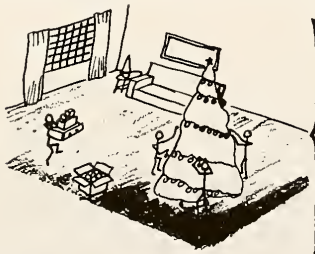
SCHOOL DAYS, school days, good old rotten rule days". Office dictatorship under direction of Mr. Sovine and Mr. Needham, removes excess baggage from halls at lunch time. New teachers and dazed freshmen are very much in evidence. Fresh-air school is initiated at pep session on Foreman Field. Stinkers, Angels, and Devils run loose. Dirty (?) politics is displayed during class elections — and time marches on —

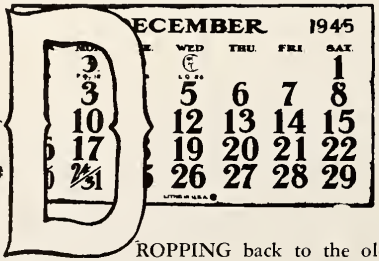


N TO VICTORY! GHS defeats EHS 13-12 in vicious grapple — Hooray! Hooray! Hooray! Everyone shows his ivories following organization of Crimson Staff. Local scholars are dragged out of class to attend Chinese-Friendship and Fire Prevention programs. Circulus Intimus initiates new members, as clubs reorganize. Report cards postponed — vacation enjoyed. Teachers "putt" to institute. "An' the goblins 'ill get ya, if you don't watch out!"

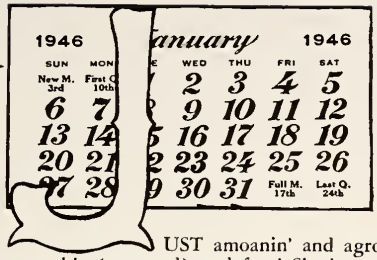


O LUCK, or Goshen loses cage opener with Concord. Students have visions of vipers (not you, faculty!) following snake program. Drives drive everyone to distraction with Magazine Campaign, Red Cross Drive, and Bond Drive claiming the limelight. Slight infringement of basketball rules is noted at faculty vs. students game. Flu epidemic runs rampant through GHS. Gobblers are gobbled and thanks is given for Thanksgiving vacation.

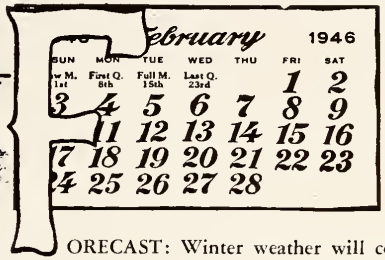


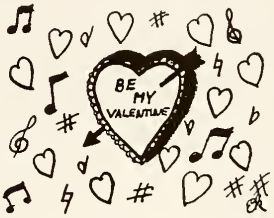


ROPPING back to the old grind, students are learning "How to Graduate in Four Easy Years." Minne-Ha-Cha initiates strangle on "sqoiming woims" and GAA pledges gag on alum-coated marshmallows. The Crimson subscription campaign features the barbershop quartet singing, "Buy Your Crimson Now — Only a Dollar and a Half." The choir presents "The Messiah" beneath a reproduction of a stained glass window. Christmas vacation comes with big dances, many presents, and parties featured. "Merry Christmas to all, and to all, good night."



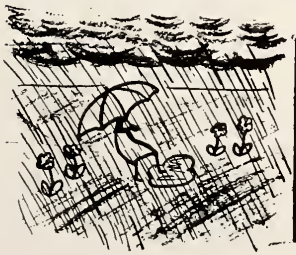
JUST amoanin' and agroanin' as everyone slips and slides back to ye olde seate of learning on his (censored) and feet! Skating, skiing, and other winter sports occupy excess time. Dancing lessons and ping-pong tourneys at the Gyrab "entice" many. Exams knock us out for time being — Ouch! Heigh-ho, off to a new semester we go.

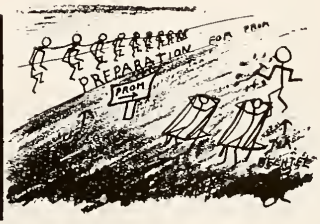




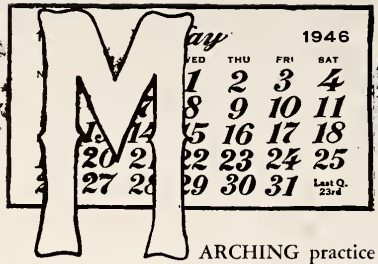
FORECAST: Winter weather will continue — groundhog sees his shadow. "The Big Blow-Up" precedes the Goshen-Elkhart game. We celebrate Washington's and Lincoln's birthdays in school — as usual. New "G" sweaters are very much in evidence following honor assembly. Gushy valentines are received by blushing Romeos and Juliets. Hair pulling and tug o' wars result after issuance of tourney tickets. The tourney is at Nappanee — need we say more?

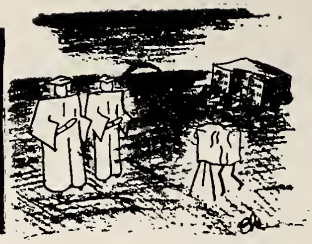
MARCH WINDS BLOW! With the close of the basketball season attention is focused on the track cinders. Green reigns supreme on St. Patrick's Day — the freshmen feel at home — and March leaves us like a lamb.



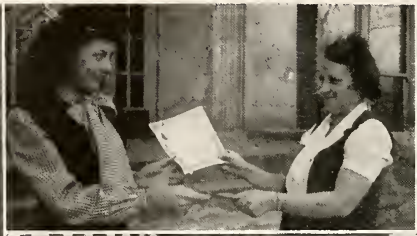


APRIL FOOL'S DAY finds students and teachers enjoying spring vacation. Everyone returns more fagged (not cigarettes) than ever. Tennis practice begins. The juniors slave away on their prom while the seniors take life easy — but don't they always? April showers bring May flowers. (Optimistic, aren't we?)

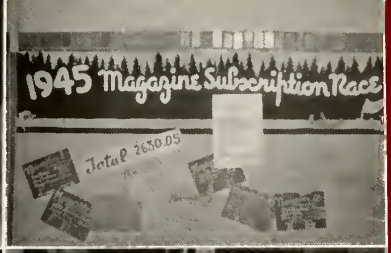




MARCHING practice begins for seniors. Senior sneak is the usual flop as everyone knows where and why everyone else is going. Attired in caps and gowns, the departing seniors attend Baccalaureate services. The Prom is a big success. Class Day with its joyful and sorrowful moments is followed by Commencement. Armed with diplomas, the seniors, their hearts full of tears but their faces gleaming, step out to the meet the world.



Snake: Eeeek! (That's *not* for me!) . . . Miss Brooks and Barbara: Any bonds today? . . . Landing: Whistle stop! . . . Margaret: Whew!! . . . Mr. Bechtel: Forever blowing? . . . Team: To the victors belong the spoils. . . . Faculty: The vanquished? . . . Glen Gerber: What? No wings? . . . Kauffman and Kalb: Sign of early spring.



Barbara and Hal: Sweet stuff. . . . Science Club: Pickle in the middle, mustard on top, Hurry up, folks, and get 'em while they're hot. . . . Magazine Campaign: What a race! . . . Health Council: Aren't we a healthy group? . . . Wanda and Don: "Parakeets" . . . Devils: Aren't we devils?

SENIOR SNEAK!

May 14

Who says that seniors can't keep a secret?
(Even the faculty did not know about the *sneak!*)

Mile of Smiles.

Minne-Ha-Cha: What's the solution?

Braves: Brave men.

Wahoo and "G": G! Wahoo!
